

REMARKS/ARGUMENTS

Claims 1-10 are pending in the application. Claims 1-7 are allowed. The Applicants have amended claims 8-9 and added new claim 10. No new matter is added by these amendments. Support for the amendments is found in the specification as filed. Reconsideration and allowance are respectfully requested.

The Applicants acknowledge with thanks the allowance of claims 1-7.

The Examiner rejected claims 8-9 under 35 USC § 112, first paragraph, as not meeting the written description requirement. The Examiner has also rejected claims 8-9 under 35 USC § 112, first paragraph, as failing to comply with the enablement requirement. Applicants have amended claims 8 and 9 as above. Applicants submit that claims 8-9 as amended meet the requirements of 35 USC § 112, first paragraph, therefore the rejections are overcome. Applicants request the rejections be withdrawn.

In view of the foregoing, the Applicants submit that all claims are in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issuance are earnestly solicited. Included herewith is the RCE fee and petition fee. In the event that there are any fees due and owing in connection with this matter, please charge the same to our Deposit Account No. 11-0223.
